### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Claims 1, 9 and 13 recite a method for evaluating sales leads, wherein a user specifies a data format indicative of potential sales leads, the data format defining a plurality of attributes, and creates rules that will be executed against the attributes of the sales leads to assess the quality of the sales leads, wherein the quality of the sales leads is measured with a value that is added or subtracted based on the rule execution.

Thus, prior art of record neither render obvious nor anticipated the combination of claimed elements in light of the specification; therefore claims 1, 3, 5, 7, 9, 10, 12, 13 and 15 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mariela D. Reyes whose telephone number is (571) 270-1006. The examiner can normally be reached on M - F 7:30- 5:00 East time.
